Rogan has been very thoughtful this week- he has been saying good morning and goodbye to his friends and staff.

Leo R has been very thoughtful, thinking about others. At the beginning of the week, he saw a member of staff struggling to walk with another student, and carry the lunchbox tray- Leo independently took the lunchbox tray off the member of staff to help. Later in the week, Leo could see that his two friends were sitting on the playground bench, and looked cold. He independently went and bought them their coats.

Canopy is thoughtful.

I consider people's feelings. Thinking about others as well as myself helps make me a good friend.
