Class News from Beachcombers Class

This term Beachcombers Class have been trying lots of new things and meeting a lot of new people, including two donkeys! We made smoothies together and turned them into ice-creams. We have been exploring in forest school, climbing, pushing, pulling and digging, using our bodies confidently to make things happen. Some of us were very brave and had a go at riding across the grass on the donkeys. We have been very sporty and had a go at skittles, curling, parachute games and tennis. We have also enjoyed our college students coming to help us read.
