## This Week

**Children Returning to School:** Due to organisation and staffing we will need a week's notice, from now on, if you change your mind and would like your child to return to school. Please can you inform the Office by midday on a Wednesday.

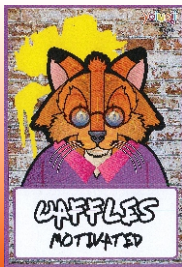

**TIS Wiki:** Therapies in Schools have launched their Wiki page. It is a work in progress and they plan to add to it, but you can view it now at

<https://wiki.rixwiki.org/west-sussex-mmm/home/tis-wiki-2>

**Short Breaks Wiki:** There is another Wiki page about Virtual Short Breaks that WSCC think may be of interest to you

<https://wiki.rixwiki.org/west-sussex-mmm/home/short-breaks-6>

**Reaching Families Posters:** Reaching Families have sent us three posters about online resources and courses they are offering, for Counselling, Befriending and Mindfulness. They are attached to this newsletter.

### Yoimoji - Waffles

Next week's Yoimoji will be Waffles, the Motivated Fox. Please send your teachers examples of how your children have been motivated at home so that we can feature them in next week's newsletter.

Happy birthday to Summer, who would usually have celebrated in Assembly with us.

## Working from Home!

Last term, Beech class explored our topic, Street Detectives, by taking part in activities all about our local areas. We learned about people who help us, what they do and where we might find them. Lots of us were inspired by bakers and made some delicious home bakes! We have also been practising our literacy and numeracy skills with the support of our fantastic parents.
