Class News from Divers Class

As part of our Tumble topic, Divers have been learning about different parts of our bodies. We have been busy naming and labelling body parts and finding them on ourselves and in mirrors. This week, Divers have focused on what our hands and feet are for. We have used our hands in lots of different ways including dressing ourselves, building water courses and cooking pizza faces. We have also used our feet in lots of ways, such as dancing, jumping on trampolines and helping us to ride donkeys.
