This Week

Flu Vaccinations: These will take place on this coming Tuesday, 9th November, for eligible students whose parents/carers have completed the online consent forms.

Poppies: We have poppies for sale at our reception desk, raising funds for the Royal British Legion.

Under 5's Hydrotherapy: Please see the attached flyer offering hydrotherapy for children under 5 with SEN, on Wednesdays starting next week on 10th November.

Congratulations: Congratulations to Fiona M from Globetrotters on the birth of her son Reggie just before the half-term break.

Friday Volunteer: We are looking for a volunteer to support our Primary department on Friday afternoons. If you are interested in helping and would like to know more, please contact the Office.

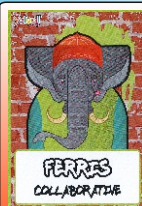

Children in Need: We will be taking part in Children in Need on Friday 19th November. This year's theme is "Strictly Sparkles" so everyone is invited to wear their sparkliest and smartest clothes for the day. Donations of £1 each for the BBC appeal are invited.

Marathon Fundraiser: We would like to say a massive thank you to Rebecca, aged 8, whose brother attends QEII. She raised almost a thousand pounds for us by completing a marathon in a team with her Dad. He ran the Run Barns Green half marathon and she completed the other half, broken down into smaller runs at Horsham ParkRun and in the evenings. She recently came to school to present Helen with a cheque for the money she raised. You can find out more - and support her further if you wish - on her GoFundMe page here: www.gofundme.com/f/marathon-to-raise-money-for-my-brothers-school?qid=508352196650c3bbbea1cc9f574cc932

Class News from Pilots

Pilots class have had a brilliant start to term, learning through our topic 'Bright Lights, Big City'. At the start of term, we had a tea party for The Queen, and made our own scones and cucumber sandwiches. We have made crowns for The Queen and explored maps of London, giving directions and exploring London landmarks. In art, we have been making our own 3D model of The London Eye, and in maths we made our own London Skycrapers out of blocks.
