Class News from Pioneers

Pioneers have had a great start to the term, our topic is Urban Pioneers and we have looked at natural and human made features around us – building towers, bridges and testing weight limitations! Our maths focus is money and have been role playing shops, adding coins and calculating change. In descriptive writing lessons, we have been busy writing stories, changing endings and creating characters. We enjoyed a walk to the edge of Leechpool, noting the trees so we could track seasonal changes. We also hunted around for bugs, bark and birds which was great fun. We can't wait to see what our sculptures turn out like – we have been working hard in art!
