This Week

Harvest Collection: Tony has organised a Harvest collection of non-perishable goods to support UK Harvest, who distribute the items to vulnerable people in our local community. There will be a basket for donations of tins, dried foods and other non-perishable food items between *Monday 12th and Friday 23rd October*. Please send in anything you would like to contribute via your child.

Parent Governors: We currently have two vacancies for parent governors. Peter Wright's (father of Bobby in Elms) term of office is coming to an end, and he has confirmed that he wishes to seek re-election for a further four year term but this still leaves us with another vacancy. If parents would like to put themselves forward for the role of parent governor, please could they contact the Office for further details about how to apply and what the role entails.

Prevention and Control of Head Lice

Head lice are a persistent nuisance in schools

The leaflet attached to this newsletter explains how to check your child's hair and the importance of doing this every week. It explains the options available for treatment if you find your child does have head lice. Head lice are not a health hazard because they do not carry serious diseases.

It is **not** County Council policy that pupils with head lice are sent home from school or to send letters to parents whenever a case is discovered or reported in a school.

To help prevent the spread of head lice:

- * Comb your child's hair regularly with a nit or bug-busting comb. You can buy these from you local pharmacist;
- * Periodically inspect the hair of all the children in the family;
- * Do not be embarrassed to tell the parents of any other children who may have had head-to-head contact with your child.
- * Thank other parents if they let you know that their child has lice.

Thank you

Yoimoji of the Week - Gruber

Gruber is Responsible. "I'm in charge of what I do. When I take up a task, it's on me to do well and people can trust me." We are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values.

(Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website's news pages.

The next Yoimoji is Ferris the Collaborative Elephant. If your child has been collaborative at home, please tell us via eSchools so that we can celebrate it in school.
