

Yoimoji of the Week

Kayvan showed incredible patience this week as he carefully measured out the pegs, checking they were all the same distance apart. He then balanced them carefully.

Theo was patient this week when waiting for his turn riding the donkeys (which he loved!).

Ben was very patient in his football this week. He waited his turn and shared the equipment with other.

Noah was patient this week, waiting for his turn to use the mouse bot.

Alex patiently waited for his snack.

Robert was very patient when waiting for his turn with a ball.

Sammy has been patient this week, waiting beautifully for his turn in rebound.

Seena has been patient all week putting her hand up in class waiting to speak.

Millie was very patient indeed when her laptop was very slow to start up!

Zigzag is patient.
 I can wait my turn. When there is a delay, things work out better if I stay calm and don't get angry.
