This Week

Signs of the Month: Please see the attached set of Makaton signs that we've been learning and using in school. We will be sharing a new set of signs every month so that you can learn them to share with your children.

National Sleep Helpline: Please see the attached flyers from the National Sleep Helpline.

Horsham Community Lottery: Please see the attached flyer about the Horsham District Community Lottery, which supports our school.

West Sussex Music Holiday Activities: West Sussex Music are running some activities over the Christmas holidays for children aged 8-16. Please see the attached flyer for details.

Hi-Vis Jackets: We would like to say a big thank you to Trojan Strip Out, a local firm who sponsored our uniform supplier Taylor Made Uniforms to provide us with a set of high visibility jackets to help keep our students safe when they are out and about. The photo below show them being proudly modelled!

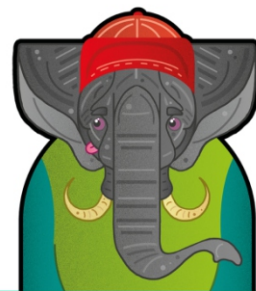

Yoimoji of the Week: Ferris

Ferris is a collaborative elephant. We are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values.

Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website's news pages.

Ferris is collaborative.

I work well with others. When I'm in a group, I can join in, listen well and help other people.

Letters Home

No letters home this week.

Class News from Divers Class

Our first half term back to school saw Divers learning about Dangerous Dinosaurs! Divers enjoyed exploring dinosaur resources in sand, water, foam and paint as we got to grips with the different types. We loved hearing stories about dinosaurs, including Dinosaur Roar and Ten Little Dinosaurs. We used these books to help us describe dinosaurs with words and using ALBs. Dinosaurs even helped us with our PE, Art, Science and Maths learning. Divers were visited by Horsham Museum who brought us real bones, fossils and dino poo to excavate and handle. Later, Divers read Cave Baby. We discovered Woolly Mammoths and how to wash them, and drew prehistoric animals in the 'caves' that we made. We finished our topic by each creating our own individual dinosaur, combining our favourite parts of the creatures we have learned all about.
