This Week

Parent Governor Election: We really need someone to take the important role of Parent Governor as we currently have a vacancy. If you are interested in taking on this role please can you contact Alison in the Office to find out more.

Stage Right Volunteers: Stage Right Juniors really need extra volunteers to help with their drama group on a Tuesday evening. It's a lot of fun and is held in our Studio. Please contact Rosie via the school office if you are able to help - and if you know anyone who might be interested please tell them about us!

New End of Day Collection Arrangements: Thank you to everyone for following the new hometime collection plan so well. We think it has really helped to ease congestion at the front of the school.

Parents' Evening: Thank you to everyone who has booked themselves in for Parents' Evening on the 23rd October.

Waitrose Green Tokens: We are one of the selected charities for the "green token" scheme in Horsham Waitrose. If you shop there, please support us by putting your tokens in our box.

Builders' Merchants Competition: Horsham builders' merchants Nye Building Supplies are running their "Proud to be Local" funding competition again this year. You can nominate QEII by emailing proudtobelocal@dwnye.co.uk.

Flu Vaccinations: These will be given on the afternoon of Wednesday 9th October for all students in Reception to Year 6 who have returned their signed consent forms.

Class News from Pines Class

In Pines Class we have been travelling backwards and forwards through time. We started by travelling backwards and exploring what we looked like as babies and then we used an app to travel forwards in time and find out what we might look like when we are old!

Last week we visited historical sites in Horsham such as The Causeway, The Old Town Hall and The Bandstand. We investigated how they have changed over time and how the buildings have developed. This week we travelled back 20 years to 1999 where we had a go at making our own 90's lava lamps!

Class News from Willows Class

In Willows Class we have been learning about dragons, and have done lots of fun activities in class. This week we made a sensory dragon world and enjoyed getting messy! We have also made dragon shapes with the play dough, made some collage shields, and looked for buried treasure in the sand. We have also been playing in our sensory castle, but we had to be careful of the dragon guarding it.

Yoimoji of the Week

This year we are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values. (Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) This week's Yoimoji is Scoop, the dog who is curious and loves finding things out. Our Student Council learnt about examples of curiosity and asking questions across the school.

Support Groups

Behaviour Support Clinic: These are on Fridays. Upcoming dates are 18th October, 22nd November and 13th December. To book yourself a clinic slot to see Dr. Elizabeth Scott Gliba please contact Alison Mitchison in the Office.

Tina Knight's Continence Clinic: These are on Fridays. Current upcoming dates are 18th October and 22nd November. If you have a current referral to Tina Knight from the Children's Continence Team for toilet training and/or continence products for your child and would like an appointment, please contact her office directly by telephone on 01273 242145.
