

## Photo and Video Consent

Dear Parents & Carers

**Please could you read the table below and tick the 'Yes' or 'No' box for each statement as applicable.**

*If you select 'No' for every statement, we will only use photographs and video recordings of your child for confidential recording and reporting of their educational progress. You and your child will not see any images of them on display around the school, online, or in any of our printed materials.*
