Yoimoji of the Week: Ferris

Ferris is a collaborative elephant. We are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values.

Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website's news pages.

Ferris is collaborative.

I work well with others. When I'm in a group, I can join in, listen well and help other people.

Class News from Globetrotters Class

Globetrotters students have been busy with lots of projects that benefit the community. As part of Careers Week our students had the opportunity to update the QEII Art Gallery at Horsham Station in partnership with Southern Rail. Our new art installation is a collection of canvases that depict self portraits in the style of Pablo Picasso - pop along to the station to admire their masterpieces!

Our students have also been busy in Horsham Park helping to keep it tidy. Several of our students are now completing work experience sessions each Friday to help maintain the Human Nature Garden. This fantastic opportunity is supported by Friends of Horsham Park.

Closer to home, Globetrotters and Trailblazers students have taken on the challenge of renovating our Forest School area! Students have been busy clearing the area of fallen leaves, painting wooden structures and are about to start a project to turn used tyres into playground equipment.

In class Globetrotters students got to meet some real life bugs as part of their topic 'Beast Creators'! We had a visit from Dean who brought some Locusts, Stick Insects and a Giant African Millipede to help with their creation of their Bug Fact File.
