

# Yoimoji of the Week

# Zigzag the Patient Goat

Zach has been very patient this week when waiting his turn in bucket time.

William was so patient on our yachting trip! He waited for his friend to feel brave enough to get on the boat as he was nervous.

Sam is always patient and kind to others. When things are busy around him he will always remain calm. He has worked really hard this week and was amazing on the recorder.

**Zigzag is patient.**  
 I can wait my turn. When there is a delay, things work out better if I stay calm and don't get angry.

Sophie has been modelling patience to her friends.

Dominic has been patient waiting for his turn.

Christian has been patient, listening, turn-taking and waiting beautifully during bucket time.

Joe has been patient during candle time reflection. He waited to eat his jelly baby and managed to get another one because he did wait.

Oscar has been patient with his friends and helping them while he is waiting.

Sapphy was very patient waiting for her turn on the water mat.

Noah has been patient waiting in circle time.
