Text Messaging Service: Please note that our "Teachers2Parents" text messaging service, which we use for sending class and whole-school based information, is a one-way service. Any replies you send to a text from QEII School will not be seen by us. If you need to reply or ask a question, please do so through one of our usual communication channels. Ideally via your child's eSchools group or, if urgent, by emailing or telephoning the school office.

Flu Vaccinations: Flu vaccination consent packs have been sent home for students in years R, 1, 2, 3, 4 & 5. The vaccinations will be given in the afternoon of Tuesday 2nd October but only where parents have given consent.

Parent Partnership Volunteers: We are seeking parent volunteers to join our Parent Partnership group. Parents from any class are welcome, but we currently have no representation at all from Cedar or Firs classes. Please contact the school office for more information.

QEII Bake Off: Our latest "Bake Off" event is this coming Wednesday 3rd October as part of our Harvest celebrations. Please do join us in the Studio from 2pm as we raise funds for our Kenya Schools Project - and don't forget your (nut-free please) bakes and/or money to buy some cakes for yourself!

Class News from Beech Class

On Wednesday, Beech Class had a wonderful morning at Nymans Gardens. We collected leaves and conkers and used binoculars to look at some of the lovely views. We learnt about the changes that happen during autumn, such as the leaves changing colour and why they fall on the ground.

Class News from Chestnut Class

Chestnut Class are really enjoying going horse-riding. They have been practising getting on their horses, and sitting straight on their saddles. We have been experiencing and trying out some of the commands such as 'walk on' and 'woah' (to stop). Chestnut Class really enjoy the games we play at riding, such as putting toys in buckets and finding pictures.
