App of the Week

Five Speckled Frogs:
Touchscreen version of the popular counting song, which reinforces the numbers from 1 to 5.

The Wizard of Oz

Congratulations to everyone involved in Stage Right's production of "The Wizard of Oz" this week. It was a delight to see so many of our students and former students bringing this story to life. Both shows were full and earned standing ovations from their audiences. QEII students will have their own chance to see the show performed after half term.
