## Class News from Mountaineers Class

Mountaineers have loved visiting all the animals that have come to school. They have held the rabbits and guinea pigs. They have talked about how to look after the animals and what they need to keep them healthy.

Mountaineers have watched the building work that is happening outside the classroom. They have talked about what is happening and have particularly enjoyed seeing the digger at work! The outside area is looking amazing, and Mountaineers are very excited to go outside again!
