Class News from Trailblazers Class

Trailblazers' topic this term is Beast Creator, they have enjoyed searching for mini-beasts outside, have created Bug Hotels and have researched Deadly Critters which led to them designing their own and making these with craft materials. Some of Trailblazers also got to go and do a Lego We Do session at Woodlands Meed School, they followed instruction on the iPad to create models that they could then activate and make move, the session was enjoyed by all.
