This Week

Hot Weather - Sun Protection: In this current very hot weather, please ensure that your children come to school wearing sun cream and that they bring their sun cream with them as well as a sun hat too. We have also been adapting our daily plans to reduce the heat for everyone as much as possible.

Awards Assemblies: Our awards assemblies will be held on the last day of term, Thursday 21st July. The Primary assembly is at 11am and the Seniors/Leavers Assembly at 1.45pm. Parents and carers are welcome to join us for these. Please be aware that, due to the need for lorries to access our building works, we have NO parking available onsite at school. Please park nearby and walk in, being considerate of our neighbours and avoiding nearby cul-de-sacs like Little Comptons.

Summer Offer: Please see the attached flyers about the Horsham Summer Offer.

Broadbridge Heath Leisure Centre Bouncy Castle: On the 2nd, 9th and 16th of August the Bridge Leisure Centre in Broadbridge Heath will be running a bouncy castle session for SEN pupils and their siblings from 11.30-12.30. The cost is £5.50 per child and £2.50 per sibling and it will be open to children between the age of 4-11. There are 20 spaces per session and they need to be booked and paid for in advance. The bookings will go live on Monday 18th July. To book a place please contact the Bridge's reception directly on 01403 211311.

Summer Break: This is the last newsletter before the summer holiday. We hope you all have a great summer and we look forward to seeing everyone in September. We have INSET days on Thursday 1st and Friday 2nd September and our Transition Day on Monday 5th, with **all students then returning on Tuesday 6th September**. Details for the Transition Day have already been sent home directly to parents & carers. Do keep an eye on our website and Facebook page for our upcoming Newsround "Review of the year!"

Class News from Balloonists Class

Balloonists have really enjoyed swimming at the Pavilions this half term. The children have been amazing at swimming and have all become more independent swimmers. They have all been having a go at changing and getting dressed by themselves. We are all very proud of them.

Balloonists have also enjoyed their topic, 'Land Ahoy'. They have found out about pirates. This has included exploring all things about water. The children loved finding out about the ice balloon and thinking of ways they could melt the balloon.
