This Week

Nut Free School: We would like to remind everyone that we do not allow nuts in school. This includes in packed lunches, in sweets and in spreads such as Nutella. This is to protect students and staff who have severe allergies to nuts.

Parent Partnership: Our next Parent Partnership meeting is on Tuesday 17th September. If there is anything you would like to raise, please let your class representative know.

School Drive - One Direction System: To help ease congestion on the road outside the school drive, we are introducing a one-way approach system. When driving in to the school, please **only enter the school drive as a left turn**. If you approach with the school on the right, please continue the short distance to the roundabout at the end of Comptons Lane, turn around, and then come back and enter with the school on your left.

Music Club: Music Club will restart after school on **Wednesday 18th September**.

After School Club: After School Club will restart on **Monday 23rd September**.
West Sussex Music: West Sussex Music are again offering their free "Orchestras Inc." sessions for children & young people under 25 with special needs. You can find out more on their website:

Outdoor Library Painting: We would like to say a huge thank you to the Wright family (and friends) who painted our outdoor library over the summer break. We think it looks wonderful! This week's Newsround includes a special report from Bobby showing the work in progress, which you can see on our website and Facebook page.

Headteacher's Award Winners

Ella, Globetrotters: Brilliant World War II "Blitz" artwork.

Yoimoji of the Week: Bamboozle

Bamboozle is a kind bear. We are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values.

Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website's news pages.

Bamboozle is kind.

I like helping people.
When I share my things or help someone out it feels nice, because it makes me happy.

Class News from Globetrotters

Things have got off to a great start in Globetrotters this year. Our students have loved being back together and are busy helping each other get settled into a new year. They have been excited to use our redesigned teaching spaces and are ready to learn!

Our art lessons are linked to our 'Britain at War' topic this term. Students got creative by making their own 'London skyline during the Blitz' with fantastic results.

During our English lessons they have been inspired by a short video clip titled 'A day in the life of a College Student' and are making plans to write a short script and produce their own video clip to showcase our college.

On Monday Globetrotters had a go at making their own healthy snacks and enjoyed their vegetable crudites platter with a homemade spicy hummus followed by a refreshing fruit salad! It was great to see them being so independent in the kitchen.
