

SEND-friendly writing workshop with Kathryn Evans

Join us for a SEND-friendly writing workshop with award-winning author and experienced creative writing tutor, Kathryn Evans at Worthing Library

We all have stories to tell, and Kathryn hopes to encourage everyone to develop their own craft and confidence to tell them. These specially designed workshops will flex around students, aiming to share some of the skills and techniques Kathryn uses in her own writing. All students will receive a copy of the workbook Kathryn designed for her own use and leave the session with the beginning of their own story.

There are two sessions one for those aged 11-15 years and one for those aged 16+

These events are free, but booking is essential as places are limited, scan the code below to find out more and book your place
