

Queen Elizabeth School

QEII Connections

Summer Term 2024

QEII Connections is a great chance to meet with other parents/carers and teachers. You can find out more about what QEII has to offer you and your child/young person.

QEII Connections is an opportunity to hear what's going on at QEII and also an opportunity for you to be heard.

“My son recently joined the School and when I heard about the QEII Connections meeting I went along. I'm so glad I did, not only did I meet other parents/carers but I got to hear of all the great things going on in the school over a coffee and biscuits. I came away happy knowing my son is in such good hands, I even signed up as the class rep. I highly recommend going.”

Richie Crane, parent from Beachcombers Class
