This Week

Welcome Back: We hope you all had a lovely summer break. It's brilliant to see everyone back for the new school year.

Childcare Survey: There is an online survey from West Sussex County Council seeking input from parents of children with SEND about access to childcare, with the aim of improving this. You can complete the survey online here:

<https://haveyoursay.westsussex.gov.uk/early-childhood-services/childcare-for-children-with-send> The survey will be live until 30th September.

Vaccinations: The Year 9 booster vaccination and HPV vaccination for Year 8 girls will be given in school on Friday 21st September, **only** where parents have given consent.

Flu Vaccination Consent Forms: Flu vaccination consent packs have been sent home for students in years R, 1, 2, 3, 4 & 5. Forms must be returned by **Monday 17th September**.

The vaccinations will be given in the afternoon of Tuesday 2nd October but only where parents have given consent.

Parking & Dropping Off/Collecting Children: To keep our very busy car park safe in the morning and at hometime, please remember our parking guidelines. We are working hard to try to improve the situation at the busy start and finish of the day.

Medication: Please remember that medication should be handed to escorts/school staff and not left in school bags. Thank you.

eSchools: We hope you are all getting to grips with our new eSchools home/school communication system. It would be helpful to our teachers if you could let them know you've started to use the system by posting a comment in your individual child's personal Group's Discussion section. If you need any help with using eSchools, Stephen is available for tutorials on Mondays between 10am-12pm and 1.30pm-2.30pm. He is also happy to answer your queries by phone at these times, or by email. If you would like to make a tutorial appointment please email him on scandy@qe2school.co.uk

Class News from Pines Class

On Friday we learnt about Rosh Hashanah, the Jewish New year. One of the foods that people eat at this time is apple dipped in honey. We made delicious apple and honey flapjacks together, practising our measuring, chopping, mixing and cleaning up skills, which we enjoyed before home time
