Prevention and Control of Head Lice

Head lice are a persistent nuisance in schools

The leaflet attached to this newsletter explains how to check your child's hair and the importance of doing this every week. It explains the options available for treatment if you find your child does have head lice. Head lice are not a health hazard because they do not carry serious diseases.

It is **not** County Council policy that pupils with head lice are sent home from school or to send letters to parents whenever a case is discovered or reported in a school.

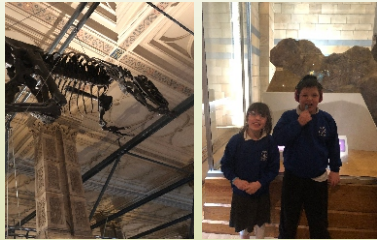

To help prevent the spread of head lice:

- * Comb your child's hair regularly with a nit or bug-busting comb. You can buy these from your local pharmacist;
- * Periodically inspect the hair of all the children in the family;
- * Do not be embarrassed to tell the parents of any other children who may have had head-to-head contact with your child.
- * Thank other parents if they let you know that their child has lice.

Thank you

Class News from Elms Class

Elms Class went to the Natural History Museum on Wednesday! We saw dinosaurs, creepy crawlies and the Moon! Everyone had a fantastic time.

Class News from Willows Class

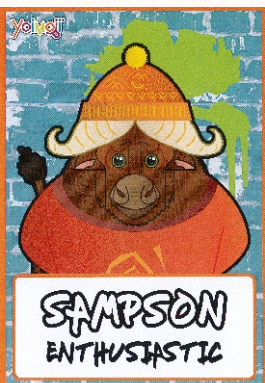

Willows have had lots of fun this half term learning about shiny things. We have had lots of sensory and mark making play by mixing glitter with ice, shaving foam and flour. We have also enjoyed lots of sensory play with food. We have got really messy!

Yoimoji of the Week - Sampson

Sampson is Enthusiastic. "I enjoy learning new things. If I've not tried something before, I get stuck in and give it a go."

This year we are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values. (Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website.

Support Groups

Behaviour Support Clinic: These are on Fridays. The next date is 13th December. To book yourself a clinic slot to see Dr. Elizabeth Scott Gliba please contact Alison Mitchison in the Office.

Tina Knight's Continence Clinic: These are on Fridays. Upcoming dates are 14th February, 27th March, 22nd May and 10th July. If you have a current referral to Tina Knight from the Children's Continence Team for toilet training and/or continence products for your child and would like an appointment, please contact her office directly by telephone on 01273 242145.
