

# Yoimoji of the Week

## Zigzag is patient.

I can wait my turn. When there is a delay, things work out better if I stay calm and don't get angry.

Mark has been patient this week whilst clearing his gingerbread house, taking lots of time to add all of the smarties he had counted out and patiently waiting to eat it at the end of the day.

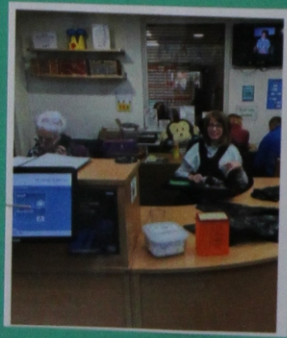

Mark is very patient with his friend even when he is noisy and will comfort him when he is upset.

Gabrielle showed patience as she made a whole snowman from wood in Forest School. She watched as the wood was cut and patiently put all the pieces together until she finished her snowman.

Imogen showed great patience whilst helping Pat on reception as part of her Work Experience

Daniel was patient when waiting for his turn in the teddy bear's picnic for Maths this week!

Sophia has been patient this week when helping her friend with his lunch.

William was so patient and kind when talking to residents at our carol singing event.
