This Week

Parent Support Group Details: We now have details of the topics for the Parent Support Group meetings for the rest of this school year. The list on the back of this newsletter has been updated to show this.

RHS Wisley Christmas Tree Competition: Congratulations to Oaks for reaching the final of the Royal Horticultural Society's Wisley Christmas Tree competition. Their entry has been selected as one of only ten to exhibit a tree at RHS Wisley from 6th December-6th January. The overall winner will be chosen by a public vote amongst visitors to the garden during this period, so please do pay our tree a visit if you're able and vote QEII!

Children in Need "Heroes" Day: We had lots of fun raising money for Children in Need today, with exciting activities and great costumes. Stay tuned to our Facebook page for photo updates soon.

Class News from Beech Class

Beech Class have been learning about map keys in Geography and how to use them. We also created our own 'Beech Islands' and learnt how to take aerial photographs. We were then great explorers at Nymans Gardens and used a map key to find and identify different places and land marks such as the shop, car park and cafe!

Class News from Chestnut Class

Chestnut class had a brilliant second visit to the woodland project at Forest School. We had fun finding different minibeasts, and some of us were even brave enough to hold a worm! We also made lots of prints and rubbings with different natural items, such as bark and leaves.
