

# Yoimoji of the Week

# Jambop the Brave Raccoon

Gabriele has been brave this week when trying out the bikes on the playground!

Amelia has been brave this week walking over surfaces that normally worry her.

Seth has been patient and brave supporting staff, training to meet his needs.

Jarod has been incredibly brave during his first two weeks at QE2! He has made lots of friends already and is settling into his class very well.

Ashraf was brave walking in the woods even though we met dogs and there were lots of tree roots.

Isaac, Kaiden, Sophie, Ryan, Callum and Sam were very brave helping at St Mary's Church coffee morning. They served tea, coffee and cake and chatted politely to the senior citizens.

Dominic was very brave when he bumped his head.

Zak was really brave moving all the chairs out the way after he had hurt himself on one.

James has been brave and has used the playground equipment all by himself. We are all so proud.

Millie has been brave this week by confidently being front and centre in our schools dance show. Millie is enjoying the dance and being amazing and brave by taking the lead.

**Jambop is brave.**

I like to try new things. Even if it feels scary or different, I always have a go and do my best.
