Class News from Beech Class

Beech Class have enjoyed learning about our new topic 'Rumble in the Jungle'. We have learnt that jungles are warm, dark, wet places that have a number of animals and insects that haven't even been discovered! On Wednesday we went to Tilgate Park to see if we could find any animals that come from the jungle, we found some snakes! We particularly liked looking at the meerkats!

Class News from Chestnut Class

We have been very busy with our new topic - 'Rumble in the jungle', since we started back after the Easter holidays. Last week we went to Tilgate park to find animals that would have been found in the Jungle to enhance our learning of animals. We have also been busy using the motor med bike, working with switches, making groups in maths and finding minibeasts!
