# QEII Newsletter

Issue 282  
20.01.23

## This Week

**INSET Day:** Please remember we have an INSET day on Monday 30th January.

**QEII Connections:** The upcoming dates and themes for QEII Connections are: 24/01/23 - Eating and Drinking & 07/02/23 - Phonics. They will all be held in the Studio from 1-2pm.

**Industrial Action:** The NEU (National Education Union) has voted for strike action, the first day of which is **Wednesday 1st February**. This is over a number of issues but it is worth noting that all staff in schools have the best interests of pupils at heart. We will keep you informed as soon as we are aware of any affect this will have on classes here.

**Dance Time Postponement:** Due to strike action at the host school, the Dance Time performance on **Wednesday 1st February has been postponed**. We will keep you updated as soon as we know about rescheduling. Tickets already purchased will be valid for the new date.

**Number Day:** Number Day is coming up on **Friday 3rd February**. We will be raising money for the NSPCC charity on this day and our theme will be "Shapes". Please see the attached letter for details.

**School Events:** Please see the attached list for the latest dates of upcoming school events. This list is also available on the Term Dates page of the Information section of our website.

**Buddies SEN Club:** Please see the attached flyer about the Buddies SEN Club in Horsham.

Sam, Globetrotters - Writing his own pupil friendly ILP targets to go up on the wall.

## Yoimoji of the Week: Jazzle

Jazzle is a creative zebra. We are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values.

Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website's news pages.

**Jazzle is creative.**

**I'm full of new ideas.**  
It's great fun coming up  
with different ways to  
do things and express  
myself.

## Class News from Adventurers Class

In the last week Adventurers have taken part in a range of fun projects. We started by exploring how sounds are made, then we had a fantastic music morning with Andrew Sculling where we wrote songs and played with a loop pedal.
