Class News from Palms Class

Palms had a great swimming session this week! We use buoyancy jackets or woggle floats to support us. Some of us have been learning to float on our back which is a great achievement! We are becoming a lot more confident in the water and really enjoyed cooling off in the pool with the hot weather we have been having!

Class News from Limes Class

This term in Limes we have used what we have learnt in our ASDAN courses to plan a trip to the beach and buy lunch at McDonald's. We had a lovely day walking and getting our toes wet on Climping Beach, and enjoyed a well earned lunch after, that we paid for ourselves!
