This Week

Number Day: We are again taking part in the NSPCC's "Number Day" this year. It will be on Friday 7th February and we are asking everyone to come in dressed to the theme of "clocks and dice." To raise money for the NSPCC we are asking for a £2 donation for taking part. For full information please see the letter sent home to parents and carers this week.

Work Experience Help: For our Community week (Monday 27th-Thursday 30th April 2020) we are looking for local businesses who would be willing to have three of our sixth form students for one morning during the week to gain understanding of the world of work in order for them to gain their Work Right ASDAN qualification. The students would be fully supervised during the visit. If you or anyone you know might be able to help with this, please contact Tony Bright via the School Office.

Staying Safer Online Training: We are hosting a Digital Online Safety Awareness session for parents & carers here at QEII on Thursday 12th March from 6-7.30pm. You can find out more and book tickets (which are free) by following this link:

Class News from Palms Class

Palms have been busy this week making Polar Bears and snowman biscuits as part of our 'Where does snow go?' topic! Our polar bears will take pride of place in a wintery display in the primary corridor with lots of other Arctic animals that we are very excited to make! Our snowman biscuits went down a treat too!

Yoimoji of the Week - Jazzle

Jazzle is **Creative**. "I'm full of new ideas. It's fun coming up with different ways to do things and express myself."

This year we are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values. (Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website.

The next Yoimoji is Haystack the **Independent** bear. If your child has been independent at home, please tell us via eSchools so that we can celebrate it in school.
