## **Class News from Beachcombers**

Beachcombers are really enjoying their learning based on our new topic this half term 'Stories and Rhymes'. We will be focusing on the traditional stories 'The Gingerbread Man', 'The Three Little Pigs' and 'Jack and The Beanstalk'. Every day we have loved exploring a sensory Tuff Tray based on one of our stories filled with edible sensory textures, different equipment and tools as well as small world play. So far, we have made Gingerbread Men in our cooking session, developing our fine and gross motor skills through rolling, mixing and pouring as well as practising taking turns with our peers. We have also enjoyed engaging in sensory stories, exploring natural materials, playing with puppets and dressing up as the characters. We look forward to planting beans in the upcoming weeks!
