

Yoimoji of the Week

Bucko the Resilient Rabbit

Akbar is resilient when coping with changes and new environments. He proved this on our trip to CYCALL.

Will was resilient during a change of routine in his Art lesson.

Teddy has his first morning in Beachcomber's Class. He was very pleased to see we had the same trampoline as the one in his house. He was very brave, resilient and independent today. Well done Teddy!

Lex was very resilient when holding a wriggly earthworm during a visit to the allotment this week.

Bridget and Summer have been resilient on the trim trail this week!

Ronnie has been resilient in RE this week. Despite thinking he couldn't complete his Sikh Gudwara drawing, Ronnie persevered and was super proud of his work.

Oscar was resilient this week- looking for the strawberries in the farm shop when after a first look he couldn't find them!

Rogan has been resilient this week when working on positions and directions in Maths.

Surya was resilient when he went for a swim after feeling unsure about getting into the pool!

Bucko is resilient.

I never give up. When something is hard or I make a mistake, I keep going and try again.
