QEII Newsletter

Issue 350
22.11.24

This Week

Christmas Play/Nativity Performances: Our Primary Christmas performances will be on **Tuesday 10th December at 1.30** and **Wednesday 11th December at 11.00**. Parents/carers of children taking part will be given the opportunity to book tickets (two per child) via an online link that will be sent out directly to them soon.

Christmas Carol Concert: This year's Seniors Christmas Carol Concert will be held at St. John's church in Broadbridge Heath on **Friday 6th December** from **10.15-11.30**. All parents/carers are welcome to join us.

QEII Glows: We are launching an exciting Christmas event "QEII Glows", which will be on the evening of **Wednesday 4th December** from **4.30-6pm**. Please see the flyer that was sent out with the previous newsletters for more information.

WSCC Early Help Christmas Events: Please see the attached poster with information about Horsham Family Hub's Christmas SEND events.

Headteacher's Award Winners

Zack R, Trailblazers: Writing a very moving Remembrance poem.

Alfie, Pioneers: Staying in Creative Arts for the whole session.

Yoimoji of the Week: Haystack

This week's Yoimoji was Haystack the independent bear. We are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values.

Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website's news pages.

Haystack is independent.

I try to do things on my own. If I need help, I know that I can ask once I've given it a go.

Letters Home

No letters home this week.

Class News from Mountaineers

Mountaineers class have been working really hard during maths. Some of us have been exploring more and less using jugs to pour and fill. The rest of us have been challenging ourselves when exploring Numicon. We have used Numicon across the weeks to practise odd and even numbers, patterns and number bonds- all the way to 100! Mountaineers have loved challenging themselves and using Numicon to visually support learning new maths skills.
