## This Week

**School Show & INSET Dates Change:** This summer's School Show in June will now be performed on the evenings of **Wednesday 26th** and **Thursday 27th June**. The INSET day has been moved to **Friday 28th June**.

**Number Day:** We will be having our Number Day on Friday 2nd February, supporting the NSPCC charity. This year's dressing up theme is "Numbers and Number Games." Full details were sent to parents & carers with last week's newsletter.

**Toys Request:** Our SALT team are looking for good quality second-hand wipeable plastic toys to help our students with early play skills, especially cause & effect toys, such as those that make a sound or something happens when the child presses a button, light up toys; spinning toys; ball/car rolling ramps, fun instruments etc. **No soft toys please.** If you would like to donate something, please send it in to school and mark it for the Speech and Language Therapy Team.

**Horsham Resident of the Month:** Congratulations to Brandon from Globetrotters who was awarded the "Horsham Resident of the Month" award for December, as sponsored by DMH Stallard solicitors and the West Sussex County Times, in recognition of his fundraising work for our school.

## Headteacher's Award Winners

Harrison, Jason & Zack, Trailblazers - Independently creating and presenting "Beast Creator" PowerPoint presentations.

## Yoimoji of the Week: Jazzle

Jazzle is a creative zebra. We are using "Yoimojis" in our Assemblies, to help with learning and celebrating OFSTED's Fundamental British Values.

Yoimoji is a blend of the Japanese words "yoi" (good) and "emoji" (slang for character.) You can see our Yoimoji posters on our website's news pages.

**Jazzle is creative.**

**I'm full of new ideas.**  
It's great fun coming up with different ways to do things and express myself.

## Letters Home

**Selected Seniors students:** Horsham Sings Live! letter and online consent form (sent by email.)  
**Engineer students:** Woodlands Meed for LEGO WeDo session and online consent form (email.)

## Class News from Astronauts Class

Astronauts are enjoying the new Spring Term Topic - 'Muck, Mess and Mixtures'. They have been making lots of mess exploring a range of different substances, adding water and making different mixtures. They used salad spinners with paint to create swirly patterns on paper.

In maths they have started learning about 'Money' and have had fun pretending to be a shopkeeper, using coins and a till to serve their customers!
